*Indicates that the programs that do not begin until Grade 10.

Where a program is offered at a student's home school, the student is encouraged to attend his/her home school. Preference will be given to students whose home school does not offer the chosen area of technology.

Students entering Grade 9 in September 2022 may request permission to attend their designated Emphasis Technology School, even if their area of interest does not begin until Grade 10, to avoid a transition of schools from Grade 9 to 10.

I understand that if I am entering Grade 9 for September 2022 and do not enrol in Emphasis Technology Programming for Grade 10, I may be required to return to my home school.

I understand that if I am entering Grade 10-12 for September 2022 and change my courses so that Emphasis Technology programming is not part of my timetable, I may be required to return to my home school.

Students who are accepted into an Emphasis Technology Program, will be provided with transportation, if they are eligible as per the Transportation policy from the Southwestern Ontario Student Transportation Services. If a student discontinues the Emphasis Technology program, he/she will no longer be eligible for transportation to the Emphasis Technology School.
